

Wilderness Equipment

CONTOUR

A new, completely revised 2013 version of a unique pack. This rugged canvas daypack is perfect for day, overnight and weekend walks, boat trips, sight-seeing and lightweight travel in the tropics. The new framesheet, body panel and hip fin system handles oversized loads with comfort. We have added a generous top pocket and many other features to give the Contour broad appeal in many situations. Check the list below. The choice of canvas and the level of reinforcing detail mean this is a pack that with the potential to serve for a lifetime.
